Gas Stations & Ground Transportation

Earn cash back by rail or by road. Use your card at the pump or inside the store and receive cash back on gas. Don't feel like driving? You can earn 2% cash back for that, too, when you use your card for purchases such as bus and passenger railway tickets, taxi fares, and more. You can also get cash back on purchases for car services, like rideshare and limousines!¹

Some grocery stores with gas stations (like Hy-Vee[®], Kroger[®], or Meijer) may qualify for 2% cash back in the gas and/or grocery categories.³

It does not include purchases (such as bus and passenger railway tickets) made through travel agencies and tour operators. It also does not include purchases made at steam ships, cruise lines, freight trains, parking meters, parking garages, and toll stations. The category does not include truck stops, marinas, home heating companies, or other direct fuel, oil, or propane sales.³

Account must be open and in good standing to earn and redeem rewards and benefits.

¹ The Elan Rewards Program is subject to change. Rewards are earned on eligible net purchases. Net purchases are purchases minus credits and returns. Not all transactions are eligible to earn rewards, such as Advances, Balance Transfers, and Convenience Checks. Upon approval, see your Cardmember Agreement for details. You may not redeem rewards, and you will immediately lose all of your rewards, if your Account is closed to future transactions (including, but not limited to, due to Program misuse, failure to pay, bankruptcy, or death).

Cardmember must initially enroll into categories of their choice, or all net purchases will earn no more than 1% cash back. Categories are subject to change. Transactions qualify for 5% or 2% cash back based on how merchants classify the transaction. Upon approval, full details will be provided in your Cardmember Agreement. Reward points can be redeemed as a cash deposit to a checking or savings account with this Financial Institution only, which will be deposited within seven business days, as a statement credit to your credit card account, which will be deposited within one to two billing cycles or as or as a Rewards Card (\$25 minimum redemption). Cash rewards do not expire as long as the account remains active. If there is no reward, purchase, or balance activity on your account for 12 statement cycles, your cash rewards balance will expire.

² The entities listed above are examples of companies and merchants which qualify to earn the 5% and 2% Rebates. Elan Financial Services, its parent, and affiliated corporations are not affiliated, connected, or associated with these entities, nor are its products and services endorsed by these entities.

³ Merchants that accept Visa credit cards are assigned a merchant code based on the kinds of products and services they sell. To offer 2% and 5% Rebates based on purchase type (e.g., 5% cash back for Department Stores purchases), Elan Financial Services groups similar merchant category codes into Purchase Categories. Purchases that fall into the eligible Purchase Category will receive the stated Rebate. Elan Financial Services makes every effort to include all relevant merchant category codes in its listed Purchase Categories. However, even though a merchant or the items that it sells may appear to fit within a Purchase Category, the merchant may not use the merchant code that will fall within that Purchase Category. Therefore, Elan Financial Services cannot guarantee that a purchase will qualify for 2% or 5% Rebates as any purchase where a merchant uses a category code outside of the eligible Purchase Category will not qualify for the stated Rebate.
