

## Smart Business Rewards Mastercard®

With the Smart Business Rewards Mastercard®, you earn:<sup>1</sup>

- ▶ 2X points per dollar spent on eligible purchases made in the top two categories where you spend the most in each billing cycle.
- ▶ 1X point per dollar spent on all other eligible purchases.

There are no caps or limits on the points you can earn.

From auto rentals and advertising firms to construction materials and commercial supplies — earn points in categories your company actually uses.

Your top two spend categories will be determined based on the categories listed in the right column—like Freight and Transport Services (#7), Gas Stations and Fuel Dealers (#29), and more.<sup>2</sup>

<sup>1</sup> Account must be open and in good standing to earn and redeem rewards and benefits. The Elan Rewards Program is subject to change. Points expire five years from the end of the calendar quarter in which they were earned. Rewards are earned on eligible net purchases. Net purchases are purchases minus credits and returns. Not all transactions are eligible to earn rewards, such as Advances, Balance Transfers and Convenience Checks. Upon approval, see your Cardmember Agreement for details. You may not redeem rewards, and you will immediately lose all of your rewards, if your Account is closed to future transactions (including, but not limited to, due to Program misuse, failure to pay, bankruptcy, or death).

<sup>2</sup> Each Category may be made up of one or more individual merchant category codes (MCC). Total spend in each Category is determined by the sum of eligible net purchases for all MCC listed under that Category. Elan Financial Services cannot control how merchants choose to classify their transactions, and therefore cannot guarantee under which MCC or Category they will qualify. Some exclusions apply.
